### A FLAME OF FRIENDSHIP, LOVE & LAUGHTER

We Light a candle to signify our relationship with Evelyne Ebane Epiepang and all our other relationships that we hold dear, like our families, friends and colleagues. Lord God, we believe that even in times of sadness, there is room for laughter. May we all remember that the joy that comes from loving and friendship remains with us forever. It is through everyone that Evelyne touched, that her memory will stay alive. May she be remembered well for her smiles, her companionship and her conversations.

To everything there is a season; A time to be born and a time to die; A time to laugh and a time to cry; A time to dance and a time to mourn; A time to seek, and a time to let go.

This is the time we remember the bonds that tied her to many others. The love that she shared, and the memories that she lives behind.

### A FLAME OF REMEMBRANCE & COMPASSION

From this candle, we invoke the spirit of compassion. We hold in our hearts all those who have died, those who grieve the loss of loved ones, friends, colleagues and all those whose lives have been torn by grief. We invoke the spirit of compassion. In mystery we are born, in mystery we live and in mystery we die. If we remember and are remembered, life endures, meaning reigns and hope perseveres. It was once said that, To live in this world you must be able to do three things: To love what is mortal; to hold it against your bones knowing your own life depends on it; And, when the time comes, you should just let it go. When life's sweet story ends, our Soul and Body part as friends, No quarrels, no murmurs, no delay; but A kiss, a sigh and so far away we all go physically.

Lay down my dear sister,
Lay down and take your rest
I wanna lay your head,
Upon your Saviour's breast
I love you, but Jesus loves you best

I bid you good night (good night), goodnight (good night), goodnight (3x)

Lay down my dear sister,
Lay down and take your rest
I wanna lay your head,
Upon your Saviour's breast
I love you, but Jesus loves you best...

One of these mornings. Bright and early in the sun Good night (goodnight) While they're picking up the Spirit to the shore Good night (good night) Good night (good night) Good night

Go walking in the Valley of the Shadow of Death Good night (good night) His rod and staff gonna comfort me Good night (good night, goodnight) Good night

Join the wild sing a song and say
Lord send fire not a flood next time
Too late for the ark that wonderful boat
She really loaded down, getting water to flow
Won't be for the beast at the ending of the world
Leave all the children that will not be good
I remember right well, I remember right well

### CH. HYM 701 - WHAT A FRIEND WE HAVE IN JESUS

What a friend we have in Jesus All our sins and grief's to bear! What a privilege to carry Everything to God in Prayer! O what peace we often forfeit, O what needless pain we bear, All because we do not carry Everything to God in Prayer!

Have we trials and temptations? Is there trouble anywhere? We should never be discouraged: Take it to the Lord in prayer Can we find a friend so faithful, Who will all our sorrows share? Jesus knows our every weakness: Take it to the Lord in prayer.

Are we weak and heavy-laden, Cumbered with a load of care? Jesus only is our refuge: Take it to the Lord in prayer. Do thy friends despise, forsake thee? Take it to the Lord in prayer; In his arms He'll take and shield thee; Thou wilt find a solace there.

### CH HYMN BOOK 689 - I HEAR THY WELCOME VOICE

I hear Thy welcome voice, That calls me, Lord, to Thee, For cleansing in Thy precious blood That flowed on Calvary. I am coming, Lord, Coming now to Thee: Wash me, cleanse me in the blood That flowed on Calvary.

Though coming weak and vile, Thou dost my strength assure;

Thou dost my vileness fully cleanse, Till spotless all, and pure.

3. 'Tis Jesus who confirms The blessed work within By adding grace to welcomed grace, Where reigned the power of sin.

And He the witness gives To loyal hearts and free, That every promise is fulfilled, If faith but brings the plea

All hail, redeeming blood! All hail life-giving grace! All hail, the gift of Christ our Lord, Our strength and righteousness

### CH. HYM. 698 – I AM NOT SKILLED TO **UNDERSTAND**

I am not skilled to understand What God hath willed, what God hath plant I only know at His right hand Stands one who is my savior

I take Him at His word indeed: "Christ died for sinners" - this I read; For in my heart I find a need Of Him to be my Savior!

That He should leave His place on high And come for sinful man to die You count it strange? So once did I Before I knew my Savior!

And, oh, that He fulfilled may see The travail of His soul in me And with His work contented be, As I with my dear savior!

Yes, living, dying, let me bring My strength, my solace from this spring-That He who lives to be my king Once died to be my Savior!

# Family Tributes

Our dear daughter Evelyn, you have departed giving us no warning. If any illness had caused you to be bed-ridden, these would have made you to endure much suffering and your relatives and friends would have endured even more suffering. Death came like a thief and took you away not quietly but seeing death with your eyes and in pains. We loved you very much but God almighty loves you most excessively hence God called you home early.

We glorify God for this and implore Him to forgive Ebane of her sins; and to give us courage and faith, as He (God) gives her perfect rest and hope in the resurrection when we shall meet to part no more.

Welcome Ebane.....and good bye Ebane.....

Papa how for you? My wife and kids, it always started like that...

Our dear mom, aunty, Sis, and confident, since your untimely departure from this our sinful world, nothing has been the same. From day one we've always shared everything but this one you didn't share with me because the ALMIGHTY GOD our supreme creator knew better. Hope our good GOD will use your blood to cleanse the way for all your juniors who are still behind in this dreamland which you've left us in.

Weeeh !!! My dearest sister, I wonder why you're gone so soon even when I could still see you so full of life and hope for a better tomorrow for your parents and your siblings.

Weeeh!!! Mami nyanga, Mami show-show, Mami fine things, our British woman, our American wonder!!! We would have loved to even hear you complain of a headache, eyes, stomach, chest or even a leg pain but not this way. I guess if God allowed it happened, who are we to judge?

Weeeh!!! Sis', is this how we had to path ways? You of all who will want to remain on the stage to be seen at all times, I guess it was a fairy tale while it lasted.

Weeeh!!! Ebane, I pray you have eternal peace in Gods arms. "Wonderful woman"

Adieu!!!

SISTER, STELLA EBOH

My beloved sister, words can't express the grief and sadness of your sudden death. You were a sister and a mother to me; you always listened to my problems and solved them. Your visits to Cameroon were always fun times besides all our stupid misunderstandings. Well, you have played your drama as an actress on stage in your life.

Despite my many storms in life, you made me strong and made us understand what life is all about. I am indeed confused and can see you were a star by the news of your death that was in the mouth of people and all over Media outlets in the USA and the world at large. Your love was unlimited and brought joy to friends and family members. Even though the devil wants to take it away, the joy and love which you gave will never fade away.

Big sister Ebane, you were a star and shall continue to be our guiding star until we meet to part no more.

May your soul RIP.... Adieu....

My twin,

Life is terrible! I still do not believe you have departed from us so soon. My heart grief not because you are dead but because of the sudden nature and manner in which you left the world. If tears could bring you back, am sure you would have woken up. Sis, you were kind, loving, caring and generous. You did brave all odds in life for the sake of our family. Pushful, courageous and hardworking, woman of valor, an epitome of beauty, and just at the peak of it all, the cold hands of death visited you. Oh death, who are you?

In the life of one man never does the same time return. You claim the stage and left just before your scene was over but you had time to write 52 beautiful pages in this journey called life.

Your beautiful memories will continue to illuminate my heart because you were an Amazing Grace.

RIP in the Lord's bosom until we meet again to part no more.

SISTER, HELEN EPIEPANG

My U.S mom,

You were more than a sister so missing you is an understatement. Your untimely departure has ruptured all theories I had about life. I've been told a billion times it's all going to be fine and that the Almighty is in control. Only He knows why He wanted you now and so early. That dreadful phone call still hunts me and April 8th, 2015 will forever remain my worse but memorable. I've questioned my faith in Him for letting you go in such a despicable way and why He could put a family through such. I'm starting to feel this hurt, pain, and loss would never disappear.

The fact that I won't be able to see your smile, hear your laughter, nor eat your food makes it almost impossible to say goodbye.....so until we meet to part no more, I'd say see you later. My love for you will never die.... Thank you for all the teachings, advice, guidance, and above all, the shelter you provided throughout the last 14 years. Why would you abandon me so soon sister?

Your memories and legacy will forever leave with us as I bow to accept your invitation in His presence.

Welcome Pretty Ebane.... Till we meet again

Since my beloved aunt disappeared, I have shed so many lonesome tears. It's really so sad when I reminisce of the happier moments. I will severely miss those magic moments that did not last and yet we mourn of the memories of the past.

We listened to your endless tales from your early travel trips that puzzled us, stories that no longer matter now. I wish for God to intervene and make my life more serene with hands that tremble from too many hearts.

Your departure has left me shedding lonesome tears each time thoughts of you come to mind.

A good bye letter for my Epiepang Evelyn Ebane. How I wish you were here. As you left us in pain. If I could have seen you before you left I could have told you goodbye. But you left without telling us goodbye. I can still remember the things you told me. "That if I work hard I will come to America" and that had motivated me so much. And that is why I have reached this level. You sent me so many nice things and also promised me so many things like school bags, clothes and shoes. Now that you've gone, how would I have them?
