Moses, Moses, the sea has now  
reached our necks, knock at  
the door of our refuge,  
Help, Help, or we will drown.

Amen, Amen the word of God—  
Amen.

When He speaks, it is His word  
that is the strength of Life,  
It gives Him (talks about) His  
justice.

Blessed am I that I believe  
I shall sing Hallelujahs to the end.  
Sing and praise, Amen  
We shall render to you respect  
and thanks.

If all the riches in the world  
are given to you and you lose  
your soul, what profit will  
you get?

Run Quickly  
Run quickly, Run quickly,  
Jesus is ready to receive you.

Thank You  
Thank you my father God.  
We thank you God, Our God.  
We thank you plenty, God.

Care for my life as I go  
to spread Thy Word.

We were twelve of us, and an  
animal caught Joseph.  
If Benjamin stay here, what will  
we go and tell our father?

Let Us Learn  
Let us earn to show ourselves  
unto God as people who are  
alright to do the will of God and  
never be ashamed. II Tim. 2:15

Come Let Us Sing and Praise  
the Lord  
Come let us sing and praise the  
Lord.  
The Lord guides us throughout  
the year.
